

Dear St. John's,

I Taylor Mabry feel that the speech Michal Ouma made was very interesting. I also think it was sad in many ways. I wrote this letter to tell you about my plan.

When Michal said that kids had no shoes I freaked out!! For a while I thought these kids are walking on glass or maybe even plastic. Anyway my plan was to make all of the people in St. John's to donate any used or new shoes. If you except this letter please send notice. Thanks

Love,

Taylor age, 10
